We're also proud to produce our own honey which is used in different menu items and cocktails from our own bee colonies. This provides the freshest honey and helps the environment. And in season we have our own organic herb garden growing fresh herbs and produce.

We hope you enjoy your time with us and that we're helping you to eat both wisely and well!

Eating Wisely & Well At Seaport

At TAMO we're committed to giving our guests as many opportunities to eat both wisely and well when dining with us! That's why we provide Gluten Free and Vegetarian options – all of which are marked with an icon next to each item.

Part of eating well also means sourcing locally whenever we can for fresher produce, eggs, fish and meat – supporting local farmers and reducing our carbon footprint:
